Congratulations!

Thank you in advance for your interest in becoming a 3DiT Community Partner. Our business foundation is built around people just like you. Your company has been pre-approved and selected to apply for this great opportunity to become a partner with the 3DiT community. I would like to introduce myself as the VP of 3DiT. We at 3DiT value your local business. We appreciate the hard work you have put into the community year after year! Between charity donations, community support and providing essential needs to the public, music and entertainment are a vital foundation to the survival of our community. To show our appreciation we have put together a very lucrative partnership package design high traffic facilities within the community. We will provide you \$10,272 per year of advertising for free! There will never be any annual service fees for you company as long as you are a partner with 3DiT. As one of our partners/advertisers, you will be responsible for notifying 3DiT as to what changes you want to make on your bulletin on the 15<sup>th</sup> day of each and every month. The ads will be seen for 10 seconds in an ongoing loop that rotates every 6-8 minutes totalling 4.5 Million ads per year. The number of screens in the first year has grown to 70 locations across the Peace Region including Grande Prairie, Fort St. John, and Dawson Creek proving that this concept truly is the wave of future and is here to stay.

In return, we humbly request your company to let 3DiT utilize one or more of your LCD screens to help promote community events within your business. The cost for becoming a Partner is a one time fee of \$3000 per network box within your business. The network box will remain as property of 3DiT and must be returned upon request of 3DiT. There is a 5yr commitment to your company and 3DiT.

Once you partner with 3DiT you can start posting events and news the very next day by posting local ad's across the entire Peace Region! Also to show how we appreciate you even more we'll show everyone how you're supporting your community via the web plus we'll give you a Gold membership (valued at \$3072) package free. \* Total advertising package value (\$13,344)

At 3DiT we are committed to exceeding our customer expectations. 3DiT has been listening to what our valued customers have been saying. So as a bonus in 2010 we launched a new marketing program that will be very beneficial to your company. Best of all it's free! The program is called the 3DiD discount card. This card has been design to replace those old coupon books. The advantage to the discount card is that you are not committed to one particular sale all year long like a coupon. You can adjust your offers every four months keeping you in the driver seat of your business and bottom line. How the program works is simple. All you need to do is send us your logo and pick any kind of discount that you would like to offer to boost sales.

In addition, all the proceeds from the sales of the cards will be directly benefiting various children's organizations, and charity groups. What a way to show local support within your community.
