

Jan 1, 2010.

Congratulations & Welcome Aboard!

I would like to introduce myself as the VP of the 3DiT. As you may already know, 3DiT has been known for excellent service and attention to detail. To make sure that our customer needs are being met, we are continually looking for new and innovative ways that can help our community in the marketplace. We at 3DiT are committed to exceeding our customer expectations. Our goal is to provide community events maximum exposure and assistance to all the charity, youth groups and non-profit organizations. To insure a successful attendance turnout we have strategically placed LCD screens around the Peace Region in high traffic areas.

Your organization may be approved and selected to become a 3DiD Discount Card Partner. We at 3DiT value our local youth groups and charity organizations. We appreciate the hard work you have put into the community year after year! You provide essential needs to the public. Your organization is a vital foundation to the survival of our community. To show our appreciation we have put together the 3DiT Discount Card Program. How it works is simple, we will promote various business sales and specials via www.3DiT.com on our interactive Google Earth map. Many business owners are seeing this as the way of the future because they can change your promotions every quarter at no charge. Unlike a coupon book, our business sponsors will not be locked into one particular sales promotion all year long. Say goodbye to expensive mass mail outs, printing costs and say hello to new customers and increased revenues.

We will provide you the essential marketing and promotion tools to help launch the discount card and insure a successful fundraising campaign. It is our goal to see that we exceed your target dollar amount. We will manage all aspects of the website and advertising costs which will include television, radio, public events.

Here's where you come in! Your organization is advanced a predetermined amount of 3DiD discount cards to sell as you see fit throughout the community, we recommend door to door canvassing. All cards will be inventoried by 3DiT with a numerical number printed on the back. When a card is sold, there will be a registration form that is required to be filled out. The price of each card is \$20. Once all the cards have been sold your organization will receive \$15 for every card sold in the form of a certified cheque issued by 3DiT. For example, if 250 cards are sold \$5000 will be generated. \$3750 will be issued to your organization with the remaining balance of \$1250 to be allocated to 3DiT Solutions

Thank you on behalf of all your local businesses. Here is your complimentary discount card. You are now a 3DiT community supporter. With this card you can Shop & Save thousands of dollars. Logon to www.3DiT.com to find out which merchants in your city and surrounding areas offer sales and discounts exclusively to you and other 3DiD members. Be sure to check www.3DiT.com daily for new merchants, sales & discounts that can benefit you as a 3DiD Cardholder while supporting your local charity groups.

Sincerely,

Jayne Knyx
