Congratulations!

You have been p!^-approved and selected to be a partner with the 3DiT community. I would like to introduce myself as the VP of 3DiT. We at 3DiT value our local businesses and appreciate the hard work you have put into the community year after year! Between charity donations, community support and providing essential needs to the public, small businesses are a vital foundation to the survival of our community. To show our appreciation we have put together the 3DiT partnership package design for your business.

As you may already know, 3DiT has been known for excellent service and attention to detail. To make sure that our customer needs are being met, we are continually looking for new and innovative products and services that can help you in your respected marketplace. At 3DiT we are committed to exceeding our customer expectations. 3DiT has been listening to what our valued customers have been saying. On January 2010 we will be launching a new marketing program that will be very beneficial to your company. Best of all it's free! The program is called the 3DID discount card. How the program works is simple. All you need to do is fill out the discount card section in the form below, send us your logo and pick any kind of discount that you would like to offer to boost sales.

E.G.

Buy 1 get 1 Free or get 50% off
10%, 20%, 30% off
\$10, \$20, \$30 off

Once you have picked your specific discount let us know and we will post it on the 3DiT Community website. Not only are you getting free marketing through the 3DID card but you are getting free advertising via the web. In addition, all the proceeds from the sales of the cards will be directly benefiting various children's organizations, and charity groups. What a way to show local support within your community.
